## ACADEMIC EXPECTATIONS AND REQUIREMENTS

Vasquez High School strives to provide all students with a wide range of programs that ensure viable options for posthigh school experiences: college, business school, vocational-technical school, certification in a variety of CTE programs, fine arts participation, full-time employment and the military. Outlined on the following pages are the Acton-Agua Dulce Unified School District graduation requirements and entry requirements for the University of California (UC), the California State University (CSU) and Community College systems. Students will be programmed into qualifying for $\mathrm{UC} / \mathrm{CSU}$ admission requirements if no other specific academic program preparation is selected.

Four Year Plan and Academic Review - In collaboration with the counseling department, students will develop a four-year academic program in an effort to meet graduation requirements and post-secondary goals; this plan will be updated annually through one-on-one meetings with an academic and career counselor.

Vasquez High School Graduation Requirements - In order to graduate with a high school diploma from Vasquez High School, a student must complete 230 semester credits of high school work equivalent to or including:
